10	Evaluation of the course is appropriate to discriminate the students.	10	80	5	5	

Teachers Feedback analysis:

1. Most of the faculty members agreed that the curricular and syllabus are need base. They also agreed that the course outcomes are well defined and cleared.
2. Regarding availability of reading materials and digital resources in the library teachers have mixed opinion while most teachers have positive opinion regarding availability of resources yet a section of them are not satisfied.
3. Most teachers believed that there is good balance between theory and application in the course. They also strongly believed that the course increased their knowledge and perspective in the subject.
4. Most teachers are happy to have freedom to adopt new techniques, education tools and strategies in teaching. Teachers have taken sufficient steps to provide assistance to slow learners.
5. Majority of teachers received encouragement to organize seminar, workshop etc.
6. Almost all teachers tried to guide the students for their overall personality development. The evaluation process is appropriate to discriminate the students.

Suggestion:

Steps should be taken to increase resources both physical and online should be in the library.
